Puccini Bar

LOCATION AND HISTORY

Niquesa's Hotel Beverly Hills sits in Rome's prestigious Parioli neighbourhood. It is a modern establishment with a focus on offering a rich variety of invaluable amenities and modern comforts to create the perfect context for both business and leisure. It's a step out of the busy city – an easy-going alternative.

Parioli is an elegant, secluded residential district of Rome. The area is home to some of the city's finest restaurants, and it is beautifully encased by the green spaces of Villa Borghese, Villa Glori and Villa Ada.

SUITES AND ROOMS

Large picture windows allow guests to admire the charming scenery that surrounds the hotel and the warm Roman sun to flood into the room. Classic furniture, fabrics and finishes are beautifully presented in soft and relaxing colours. The clean, elegant lines of the furniture and en-suite bathrooms further enhance the laid-back ambiance, and free Wi-Fi and flat-screen LCD satellite TV provide the creature comforts.

Comfort, convenience and peace: the three essential qualities of the hotel's guest rooms. They are elegant, airy spaces dressed in neutral tones with clean-lined furniture, soft lighting and deeply comfortable beds. Every room is soundproofed to preserve privacy and promote tranquillity throughout the hotel.

CUISINE

MASCAGNI RESTAURANT

At our Mascagni restaurant, the emphasis is on optimising seasonal ingredients to create delicious traditional Roman specialities and international classics.

The dining room is a scene of understated elegance, the wine list is a carefully curated selection of fine local and national labels and the atmosphere is relaxed. Mascagni exemplifies the warm yet cosmopolitan hospitality offered by the Hotel Beverly Hills Rome.

Mascagni also caters elegant coffee breaks and delicious meals for events and gatherings organised in the meeting halls of the hotel.

PUCCINI BAR

Bar Puccini is a charming spot. Informal and cordial yet refined. The atmosphere is relaxed, reflecting the hotel's peaceful Parioli location. Many fine local and national wines are available by the glass.

WEDDINGS, MEETINGS AND EVENTS

Six individual meeting rooms are available; each completely soundproofed and equipped with state-of-the-art technology. Fresh colours and abundant natural light fill these rooms with a feeling of positive possibility. And, our catering service for a coffee break through to a gala dinner is a finely tuned, seamless operation.

NIQUESA HOTELS & RESIDENCES

Niquesa Hotels & Residences has carefully built up a collection of six historic, restored palazzi in some of Italy's most culturally important cities including Rome, Florence, Siena and Vicenza.

In 2014 the Royal Demeure hotel group re-branded to become Niquesa Hotels & Residences. The rebrand allowed the property elements harmonise with other aspects of the wider business including jewellery.

The group is privately owned by Italian Professor Luigi de Simone Niquesa, who started his career at the Hotel d'Inghilterra Rome and quickly rose through the ranks to General Manager. In 1987 the Professor recognised a huge opportunity with some of the noble homes of architectural importance in Italy. His entrepreneurial skills and ambition combined with an education in economics led him to begin the creation of an exclusive hotel collection, featuring properties situated at the heart of leading Italian cities renowned for their cultural heritage.

The brand's love of the good life is perfectly embodied in the collection's six deluxe boutique hotels. Each has its own inimitable character, and each exemplifies our Italian heritage through its elegant style and the way in which it warmly welcomes and personally serves its cherished guests.

These hotels have attained a balance between honour for their vestiges of ancient Italy and their celebration of modernity. They are temples of hospitality, representatives of Niquesa's artisan soul.

Niquesa's service philosophy comes from their worldly knowledge and personal experiences as a guest.
